FRINGING ON TREATY 6

25th Street Theatre and the Saskatoon Fringe Festival were founded and operate on Treaty 6 Territory: the traditional lands of the Cree, Saulteaux, Dakota, Nakoda, Dene, and Lakota, and is recognized as the homeland of the Métis Nation.

As an organization, we aim to respect and honour the ancestral stewards of these lands by acknowledging the harms of the past, committing to truth and reconciliation, and following their footsteps in teaching compassion, advocating for equity, and helping to build a more sustainable future that protects our natural resources.

This is Misâskwatôminiskâhk.

We are all treaty people.

WTF?

WHAT'S THE FRINGE?

Operating since 1989, the Saskatoon Fringe Festival produced by 25th Street Theatre is an explosive celebration of art, community, and most importantly - **THEATRE**.

Fringe began as an act of theatre rebellion in 1947 when a daring group of artists crashed the Edinburgh International Festival. Performing on the "fringe" of the event, they ignited a revolution of artistic exploration that lives on in every Fringer. **Today, over 250 Fringe Festivals are celebrated across the globe.**

In Canada, "Fringe" is a trademarked brand. Every Canadian Fringe is a member of the Canadian Association of Fringe Festivals (CAFF) and honours a shared set of ideals to work towards safer creative spaces that uplift artists. As a CAFF member, shows in our main Fringe venues are selected via a lottery, allowing everyone the opportunity to have an audience.

For artists, Fringe is one of the most affordable ways to get their shows to the stage and to you, the audience.

FUN FACT: The Saskatoon Fringe is positioned directly between Canada's two **LARGEST** Fringes - Winnipeg (July 15-26) and Edmonton (August 13-23).

THANK YOU

Since first making its mark on Saskatoon in 1989, the Fringe has been bringing people together with live performances, food, beverages, art, and general tomfoolery! We work throughout the year to connect artists from around the world with the people of Saskatoon. And though many things have shifted throughout the years, providing a platform for artists to connect with audiences has always been our aim.

Sandwiched between the two biggest Fringes in Canada (Edmonton and Winnipeg), we host one of the largest outdoor components on the Fringe circuit. That said, we are first and foremost a theatre festival, so be sure to go on your own Fringe adventure and see a show that piques your interest... or maybe one that doesn't! You'll be surprised by what you find in unexpected places and love it or hate it, you won't forget it.

THANK YOU FOR JOINING US AND HAVE A DELIGHTFULLY WACKY FRINGE!

– Anita Smith, Artistic and Executive Director
